

ANU KAPOOR

TEACHER/TUTOR, 53 YRS.

OBJECTIVE

I am a Home Tutor and a former Primary and Secondary School Teacher with a passion to educate children and help them improve their performance in Science and Mathematics.

SKILLS

I skillfully guide my students into applying first-principles techniques to solve increasingly difficult problems.

I am qualified in creating personalized problem sets from differing sources while keeping in mind the current level of understanding of student.

I am also able to provide accurate analogies and easy examples to drive home difficult concepts into students' minds.

I am intimately familiar with both ICSE and CBSE curricula.

EXPERIENCE

HOME TUTOR • SELF-EMPLOYED • 2010 – PRESENT

I have a long-standing home tutoring practice where I teach several school subjects ranging from Math and Science to Hindi and Social Studies. My students range from Classes I to VIII and my batches are of a small size for greater personalized attention.

SCHOOL TEACHER • JKMK SCHOOL, KANPUR • 2009 – 2012

I was a primary and middle school teacher from 2009 to 2012. I taught classes Vth – VIIIth in Science and Mathematics. I also compiled several standardized worksheets and examination papers that were used for multiple years.

EDUCATION

B.SC. HONS. • 1988 • BENARAS HINDU UNIVERSITY

Concentration in Zoology with 1st Division.

B.ED. • 1994 • KANPUR UNIVERSITY

Concentration in Methods of Teaching for – Mathematics and Chemistry.
